

Year 4

Thursday 7th January - Maths

Your party plans were so good that we think the whole class should be invited – not just your table group. 30 people are now invited to your party so you have a bigger budget.

Base Camp: £100

Hill Climbers/Mountaineers: £200

Would you change anything you bought last time?

What extras would you buy?

How much is your new total?

How much change do you need now?
